IV. Presentation

Jackie Lawson from Dublin High School's catering program gave a presentation on her externship last summer at Checkers Catering. It was a great experience from start to finish. Attached is her PowerPoint presentation.

V. Announcements

TEC wants to spread the word that CTE is for all students; A-G students need CTE too.

The common core standards work being done will encourage conversations. The state is asking community colleges to link state standards to continue articulation between core and CTE.
