Dear Mr. Wong,

After a review of your paramedic training program application and related documents, I am approving your program effective June 20, 2012. This approval will be valid for up to four years and will expire on May 31, 2016.

As starting dates and costs are set, please pass these along as I use this information when people call looking for schools.

Also submit all documents submitted to, and received from, CoAEMSP and CAAHEP for accreditation, including but not limited to, the initial application and self study for accreditation and the documents required for maintaining accreditation.

Please make certain that you adhere to the program regulations as set forth in Title 22, Chapter 4, Emergency Medical Technician-Paramedic, Article 3, Program Requirements for Paramedic Training Programs.

If you have any questions as you begin this new program, please do not hesitate to email or call. I look forward to seeing this become a successful paramedic program.

Congratulations,

Scott Salter, Paramedic
