PRIORITY REGISTRATION

Your registration priority group and registration date will be determined by the completion of the 3 Core Services (Assessment, Orientation, and Student Education Plan), the number of units completed and in-progress at Chabot-Las Positas Community College District, and maintaining Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The new regulations are designed to ensure that classes are available for students seeking job training, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes went into effect beginning Summer / Fall 2014 registration.

Under the new regulations, new students who have completed college assessment, orientation, and developed education plans, as well as continuing students in good academic standing who have not exceeded 100 units (not including units in basic English, math or English as a Second Language), now have enrollment priority over students who do not meet these criteria. Students now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Chabot-Las Positas Community College District.

Registration appointments will be sent to your ZONEmail account		Student Success & Support Program (SSSP) Core Services
